Oh Monroe High, the best school in our land,  
True patriots love in all thy sons command,  
With glowing hearts we see thee rise,  
A true school strong and free,  
And stand on guard, O Monroe High,  
We stand on guard for thee.

Oh Monroe High, glorious and free,  
We stand on guard,  
We stand on guard for thee!  
Oh Monroe High, we stand on guard for thee!

# Class of 2020

## Explanation of HONOR Designations

The members of the Class of 2020, as a group, have exemplified themselves as individuals in a myriad of ways. Students adorned with cords, tassels, and stoles have demonstrated strengths in the areas listed below.

The *Wearing of the Gold Medallion* symbolizes that the student is the Valedictorian of the Class of 2020. This student has earned the highest cumulative grade point average during four years of high school.

The *Wearing of the Bronze Medallion* symbolizes that the student is the Salutatorian of the Class of 2020. This student merits the second highest cumulative grade point average during four years of high school.

The *Wearing of the White Stole* designates that the student is an Honor Graduate. Honor Graduate status is conferred upon all students receiving a regular education diploma that have a cumulative grade point average of a 90 or above for all four years of high school.

The *Wearing of the Blue and Gold Tassel* designates that the student is a member of the National Honor Society. Membership into the National Honor Society is by invitation only. In order to be eligible for membership, a student must have maintained a 93 or higher cumulative grade point average and must apply for membership having demonstrated strong character, commitment to service, and leadership abilities.

The *Wearing of the Purple and Silver Cord* designates National Technical Honor Society membership. Students must have maintained a 90 or higher cumulative grade point average, have credit for at least three Career Technical and Agricultural Education classes with a 90 or higher overall average, and maintained an active membership in a Career Technical Student Organization.

The *Wearing of the Advanced Placement Scholar Medallion* designates that the student has taken and passed three or more Advanced Placement courses during four years in high school. The curriculum of the Advanced Placement courses is significantly more arduous than other academic courses; therefore, the wearing of this medal also represents the student's fervent dedication to exceptional academic achievement and advancement.

The *Wearing of the Black and Gold Cord* designates membership in the National Beta Club whose qualifications mandate that a student has maintained a 90 or above cumulative grade point average for four years in high school and participated in community service activities.

The *Wearing of the Blue and White Cord* designates the student as a member of the Anchor Club. Anchor members must have maintained a 3.3 grade point average and have logged many community service hours throughout their membership.
