GENERAL INFORMATION AND PROCEDURES

ADAP Cards

Georgia teens under the age of 18 are required by law to show proof that they have completed ADAP, Alcohol and Drug Awareness Program, in order to obtain their Class D driver's license. Students will complete this during their Health and Physical Fitness course generally taken in the 9th grade.

Any student needing to replace a lost or stolen ADAP Card will be charged a \$5.00 processing fee. Please see the teacher you had for Health and Personal Fitness to get a replacement card.

Cafeteria

The Walton County School District Nutrition Program strives to provide nutritious, affordable and appealing meals to all of our customers. Meals are prepared in a food-safe environment and served in a manner that encourages students to participate in the School Nutrition Program.

School Nutrition employees follow menus and prepare meals according to standardized recipes to ensure that students receive meals that meet current USDA menu planning guidelines (found in the Health Hunger Free Kids Act of 2010).

Meal prices are as follows:

Breakfast

Student paid: FREE

Student reduced price: FREE

Adult: \$2.00

Lunch

MS-HS student paid: FREE

Student reduced price: FREE

Adult: \$3.90

The Breakfast line will close at 7:25 each morning. Students arriving in line after that time will not be served breakfast.

Debts/Holds

Students are financially responsible for damaged Chromebooks, textbooks, Media Center books and school-issued uniforms as well as cafeteria charges, media center charges, fundraising products, etc. Such debts should be paid immediately. New textbooks or any other materials/devices may not be issued until lost or damaged items are paid for or arrangements made for payment. No parking permits will be issued to students who owe books or fines. Seniors who fail to clear all fines will not be allowed to participate in the graduation ceremonies.

Deliveries to School

Due to security measures, parents and guardians will only be allowed to bring ACADEMIC DELIVERIES to the school. This includes, but is not limited to, school supplies such as notebooks, pencils/pens, paper, textbooks, etc., as well as articles of clothing **on an emergency basis**. Students are expected to be prepared for school every day which should minimize the number of parent deliveries. Academic deliveries will need to be delivered to the front office. Food deliveries will not be accepted.

Students attending Walton County Public Schools **are not allowed** to receive deliveries at school from vendors or their locations. This includes, but is not limited to flowers, gifts from any shops, food, birthday cakes, or articles of clothing (unless it is to correct dress code issues). All deliveries will be returned to the vendor.

Lockers

The Student's Advisor will issue lockers. Students must accept full responsibility at all times for the content of their lockers. Lockers may be searched by the administration at any time. The locker fee will be \$5.00 per student per year. Excessive damage or abuse to lockers may require additional costs to the student. Students may use their personal locks. An administrator will rent locks for \$1 during lunch and sell locks for \$5. Locks not purchased will be returned at the end of the school year. A lost lock will cost \$5.

Parent, Teacher, Student Organization (PTSO)

PTSO is a very active organization in our school. The PTSO provides additional services to our faculty and staff during the school year. Membership dues are assessed each year. Membership enables you to become more actively involved in your child's school. Officers are as follows: Stephanie Boyd (President), Anna Herndon (Vice President), Jenny Berardinelli (Treasurer), and Candace Champness (Secretary). Students who are members of PTSO all 4 years of high school are eligible to receive one or more of the PTSO Scholarships awarded every year. Application to join PTSO can be found at the end of the student handbook. If you have questions please email loganvillehighptso@gmail.com.

Personal Items

Students should not bring personal items of value to school. The school is **NOT** responsible for any lost, stolen, or damaged personal items. This includes any items left in an unlocked locker within the school or in the locker rooms.

Property Searches

Students, as well as their school lockers, book bags, personal belongings, electronic devices, and their vehicles are subject to being searched by school authorities at any time.

School Telephone

Students may use the office phone in an emergency; however, not during class time.

Students Left on Campus

The school is **NOT** responsible for students left on campus before 6:45 a.m. and after 3:15 p.m. unless they are participating in a teacher supervised extracurricular activity. Any student who remains on campus and unsupervised after 3:15 will be subject to disciplinary actions. All students waiting for a ride need to wait outside of the building in the student pick up area. Students remaining on campus

who are not under the direct supervision of a Teacher, Coach, Club Sponsor, or other LHS Staff, will be considered out of area and trespassing on school grounds. The student may receive an administrative referral and/or be charged with trespassing. (See WCSD Student Code of Conduct section 2.22 and 2.26).

Students who are attending Loganville High School on a Permissive Transfer are required to provide their own transportation to and from school. Permissive Transfers may be revoked at any time if the parent or student cannot provide a consistent and timely mode of transportation.

Student Parking

Students who have a valid driver's license and proof of insurance must **purchase** a parking permit if they wish to park on campus. Students may only park in their designated space in the student parking area. Students parking in unassigned spots or without a permit will receive disciplinary consequences. Spaces designated as staff are for staff use only. Students may not park in these spaces under any circumstance and may be subject to disciplinary action if they do so. In addition, the spaces marked "VISITOR" are not for student use. After parking their vehicles, students are to leave the vehicles and come into the building. Students are not to go to their vehicles during the school day without prior approval.

Reckless driving will not be tolerated. Students who abuse their parking privileges will be subject to disciplinary action and may include:

- Warning stickers applied to windshields of improperly parked cars.
- Disciplinary actions for repeated infractions (1.10).
- Revocation of parking privileges for any period, ranging from (five) 5 days to the rest of the year.
- Students can lose driving privileges if they do not pay their debts or fines in a timely manner.
- Towing of illegally parked vehicles.

Students who leave campus in their vehicles without permission may have their parking privileges revoked for the remainder of the school year. Students who continue to park on school property after their permit has been revoked will have their vehicles towed at the owner's expense. Vehicles found improperly parked or without a valid parking permit will also be towed at the owner's expense. Parking violations may result in parking privileges being revoked for the remainder of the semester. Parking permits are available for purchase on mypaymentsplus.com. Students who wish to purchase parking permits must fill out an application form complete with parental signature and submit it to the front office. Seniors will be given first priority in purchasing permits. Underclassmen permits will be sold on a first-come, first-served basis.

**“DRIVING AND PARKING A CAR on SCHOOL GROUNDS IS A PRIVILEGE”
Any student whose parking privileges are revoked for any reason will not be entitled to receive a refund of parking fees.**

Vending Machines

Students may use the school's vending machines to purchase snacks before school, during class change, and after school. Students are not permitted to purchase snacks during instructional time. Loganville High School is not responsible for reimbursing money lost in the vending machine or machines working improperly.

Visitors

Students are not allowed to bring visitors to school without prior administrative permission and must provide a 24-hour notice. Parents are always welcome. To visit a teacher, administrator, or counselor, or to visit your child's classroom, please call to schedule an appointment. **** Note** all visitors to the campus must first check in at the main office.** Persons found on campus without office permission will be considered in violation and will be asked to leave or face criminal ramifications.

MEDIA CENTER

The Media Center serves as an information hub for the school. They provide access to technology and print resources to support our students, staff, and community's needs. The Media Center has over 11,000 items available for checkout, including print, ebooks, test prep study guides, and career resources. In addition to these materials, students have access to 40 student computers and the "Chromebook Clinic" where they can get assistance from the student Chromebook techs and the media specialists. The Media Center is also home to the LHS School Store, the FIRE Book Club, and the Helen Ruffin Reading Bowl Team. The Loganville High School Media Center is a great place to start research, check out a page-turner, work on class assignments, get help with your electronic devices, and much more. The Media Center is open Monday-Friday, from 7:10 a.m. to 3:30 p.m. For more information, go to www.lhsmediacenter.com.

ATTENDANCE

*** We want to stress the importance of screening your child for fever and other symptoms on a daily basis. If your child shows any of the common symptoms related to COVID-19, please keep them at home for as long as necessary to have them cleared to return. We also ask that you inform our school if your student has tested positive for the virus.***

Tardiness

All students arriving after 7:30 MUST sign in with the front office staff.

1st period: All students must be in class by 7:30 A.M. each day. All students arriving after 7:30 A.M. without an Excused Tardy Slip will be counted as tardy.

2nd, 3rd, and 4th periods: All students must be in class when the tardy bell stops ringing. All students arriving after the tardy bell stops ringing, without an Excused Tardy Slip, will be counted as tardy.

The following dispositions will be used in dealing with tardiness:

1st-3rd Unexcused Tardies	Warning
4th – 6th Unexcused Tardies	After-School Detention
7th + Unexcused Tardies	Student will receive an Administrative Referral and may be assigned ISS, OSS, Administrative probation, and/or loss of Parking Privileges.

Checking Out of School

To check out of school, a written request signed by the parent or legal guardian must be brought to the front office **before 7:30 AM for verification**. The note must contain the following information:

1. Student's full name, student's advisor, student number and date.
2. Exact reason for checking out.
3. Phone number at which parent or guardian can be reached during the morning. **If the parent cannot be reached by phone, the student will not be permitted to leave.**
4. Students approved to check out will receive a check out slip from the attendance clerk.
5. At the designated check out time, the student will report to the front office and sign out at the reception desk.
6. Students leaving school without properly signing out will receive a **disciplinary referral for leaving campus without permission**.
**** Any student arriving after the start of school must enter through the front doors. Students will not be allowed to return to the parking lot after school begins.****
7. No student will be allowed to check out based on a phone call, email, or faxed note without an administrator's approval.
8. **Once on campus**, students may not leave school grounds without following proper check-out procedures.

Absences

Students must be in classes for one-half day to be counted as present.

Studies show attendance, unexcused OR excused, is a leading indicator of academic performance and absenteeism is a leading sign of dropout. Please see that your child is in school every day possible and remains in school the entire day. Requests for early dismissal should be made only when an emergency exists.

After **any** absence from school, the student must provide a written excuse for the absence signed by a parent or guardian. The statement should give the reason and list the date of absence as well as the name of the student's advisor and student number. The student should present the excuse to the attendance clerk upon returning from an absence. **Doctor's Excuses will be accepted at any time. Other excuses will only be accepted within 3 school days following return from an absence.** The attendance office may contact parents by phone to verify reasons for absence and to promote communication between the school and the home. All notes are kept on file in the office and are NOT returned to the student.

All excuses will be evaluated by the principal or designee to determine if an absence is excused or unexcused. The principal has the authority to require additional proof of the legitimacy of the excuse. For example, the principal may require a doctor's statement justifying the absence of the student, and may require proof that the child's condition rendered the child incapable of attending school. Absences due to out of school suspension shall be unexcused.

All serious illnesses, surgeries, injuries due to accidents, etc. should be brought to the attention of the school nurse. Any diagnosed illness such as strep throat, mononucleosis, flu, conjunctivitis, etc. requires a note from the doctor allowing the student to return to school. This note should be given to the school nurse when the student returns to school.

It is the student's responsibility to arrange with teachers to make up all work missed during an absence. Make-up work for one day's absence must be turned in within two days of returning to school. Make-up work for longer absences must be completed within five (5) school days of the student's return to school, unless the school principal or the assigning teacher allows the student additional time to complete such makeup work. Immediately upon the return to school, it is the student's responsibility to arrange a time convenient for the teacher to receive any assignments.

Parents may request work for sick children **after 3 consecutive absences** have accrued. Pickup of all collected assignments can be arranged through the nurse's office with a 24 hour notice and can be retrieved at the front reception desk.

Students who encounter long-term illness may be eligible for the **Hospital Homebound** program and should complete an application when they anticipate being absent for 10 or more consecutive days. A physician's statement that the student is too ill to attend school for 10 or more days will be required to determine eligibility for the program.

Students are expected to complete necessary work missed in order to meet standards for the course. A student shall not be absent from school or from any class or other required school hours except for illness or other providential cause, unless with written permission of the teacher, principal, or their duly authorized school official. No student or employee shall encourage, urge or counsel other students to violate this policy.

As permitted under state law and State Board of Education policies, pupils may be excused for the following reasons:

- a) personal illness and when attendance in school would endanger their health or the health of others;
- b) serious illness or death in their immediate family which necessitates absence from school;
- c) mandated order of governmental agencies, including pre-induction physical examinations for service in the armed forces, or by court order;
- d) celebration of religious holidays;
- e) conditions which render attendance impossible or hazardous to their health or safety; and
- f) voter registration or voting, for a period not to exceed one day.
- g) prior permission of principal and consent of parent or legal guardian. (It is the responsibility of the student to secure and makeup all work for this type of absence, not the teacher.)

For perfect attendance purposes, students serving as pages of the Georgia General Assembly shall be counted present on the days missed for this purpose. In addition, students who are present for at least one-half of the instructional day shall be counted present.

Students with excessive tardies and/or early checkouts may be referred to the school social worker for educational neglect.

ACADEMICS

Advisement

The Advisement Program is a program that is used to enhance the high school experience. Each student will be assigned a faculty adviser who, along with the guidance counselors and classroom teachers, will monitor academic achievement and assist the student in making decisions about courses of study, post-secondary considerations, and career choices. Advisement will meet bi-weekly to engage in grade-specific activities that are designed to make high school meaningful outside of the academic realm.

Chromebooks and Textbooks

Students are expected to care for their Chromebooks, textbooks, and other school property in a manner that will prolong their usefulness. Loss, unusual wear, or destruction of school property will result in the student being charged a replacement fee and/or a discipline referral.

It is each student's responsibility to return materials and textbooks to issuing teachers. Students who fail to clear outstanding fines because of a failure to return all materials assigned to them will receive a hold on their student account.

WCSD Acceptable Use Policy - Administrative Regulations

PURPOSE: Walton County School District provides all students and staff access to the Internet, network resources, and computing devices at designated graded levels as a means to promote achievement and provide diverse opportunities during the educational experience. This policy provides guidelines and information about the limitations that the school imposes on the use of these resources.

In addition to this policy, the use of any school computing device, also requires students to abide by the WCSD Technology Use Guidelines as stated in the Student Code of Conduct. Additional rules may be added as necessary and will become a part of this policy.

It is the purpose of this list of guidelines to ensure that all persons who use WCSD technology resources, both students and employees, use these valuable resources in an appropriate manner.

TERMS OF THE REQUIRED USE AND INTERNET SAFETY POLICY

Specifically, the student:

- Will adhere to these guidelines each time the Internet is used at home and school.
- Will make available for inspection by an administrator or teacher upon request any messages or files sent or received at any Internet location. Files stored and information accessed, downloaded, or transferred on district-owned technology are not private.
- Will use appropriate language in all communications, avoiding profanity, obscenity, and offensive or inflammatory speech.
- Understands that Cyber Bullying such as personal attacks and/or threats on/against anyone made while using district owned technology to access the Internet or local school networks, is to be

reported to responsible school personnel. Rules of netiquette should be followed by conducting oneself in a responsible, ethical and polite manner.

- Will follow copyright laws and should only download/import music or other files to a district owned technology that he/she is authorized or legally permitted to reproduce, or for which he/she has the copyright.
- Will never reveal identifying information, files, or communications to others through email or post to the Internet.
- Will not attempt to access networks and other technologies beyond the point of authorized access. This includes attempts to use another person's account and/or password.
- Will not share passwords or attempt to discover passwords. Sharing a password could make you liable if problems arise with its use and make you subject to disciplinary action.
- Will not tamper with computer hardware or software, attempt unauthorized entry into computers, or vandalize or destroy computing devices or computer files. Damage to computing devices may result in felony criminal charges.
- Will not attempt to override, bypass, or otherwise change the Internet filtering software or other network configurations.
- Will not make use of materials or attempt to locate materials that are unacceptable in a school setting. This includes, but is not limited to, pornographic, obscene, graphically violent or vulgar images, sounds, music, language, video, or other materials. The criteria for acceptability is demonstrated in the types of material made available to students by administrators, teachers, and the school media center. Specifically, all district owned technologies should be free at all times of any pornographic, obscene, graphically violent or vulgar images, sounds, music, language, video or other materials (files).
- Will keep computing devices secure and damage free.
- Will back up data and other important files regularly. WCSD will at times maintain the devices by imaging. All files not backed up to server storage space or other storage media will be deleted during these processes. Students and staff are ultimately responsible for backing up all personal files on their own storage media.

Follow these general guidelines for school issued devices. Do not...

- peel off the Chromebook barcode or identifying labels
- add any stickers, drawings etc. on the Chromebook
- leave the Chromebook unattended
- loan your Chromebook or charger to anyone...you should be the only one who uses your Chromebook
- allow pets near your device
- eat or drink while using the Chromebook or have food or drinks in close proximity to the device
- carry the Chromebook while open
- carry the Chromebook by the screen
- put anything heavy on top of the Chromebook
- leave the device in a vehicle
- remove the keyboard keys
- leave the Chromebook on a bed or sitting area
- leave the Chromebook on the floor
- leave the Chromebook near the edge of a table or desk
- leave the Chromebook outside or use near water such as a pool
- leave objects on the keyboard > make sure the keyboard is clear before closing the lid (e.g. pens, pencils, earbuds, phone, etc.)

Curriculum

WCSD offers a varied curriculum that is continually refined and updated to meet the needs of our students. Following the tenets of the Learning-Focused Schools initiative, students will be asked to work towards mastery of a defined set of essential objectives in all of their coursework. Learning will be expected to go beyond simple recall.

EOCs/EXAMS

Due to Covid-19, changes to EOCs may occur. All students enrolled in American Literature, Algebra I, U.S. History, and Biology are required to take the EOC for that subject in order to earn credit for the course. The student's EOC score will count 20% of the total grade for the course and will serve as the final exam for the class. These tests are administered at the end of each semester.

Final exams cannot count more than 20% of the final grade for a course. Final exams will not be given early.

Exam Exemption Policy (2021-22)

Juniors and Seniors, on track to graduate, with an 85 class average or above may choose to exempt their final exams for that course.

The Exam Exemption Procedures do not apply to EOC, GAVS, and Dual Enrollment courses.

Additional measures may be added to these procedures in order to target specific school level needs.

Graduation

In order to participate in the Commencement exercises, seniors must participate in all graduation rehearsals. No exceptions will be made. The principal will make the decision to dismiss seniors at the end of rehearsal. Seniors will not be allowed to participate in the Commencement Ceremony if they have not met all graduation requirements.

Diploma/Graduation Policy

See matrix on page 14. Only those students who have met all graduation requirements qualify to receive a diploma and will be allowed to participate in the Graduation Ceremony. Students participating in any credit recovery options must complete all coursework one week prior to graduation. Students who do not meet graduation requirements may participate in the following school year's ceremonies.

Honor Code

WCSD recognizes honesty and integrity as being necessary to the academic function of the school. The following regulations are in place in the interest of protecting the fairness and validity of our schools, grades, and degrees and to help students in developing standards and attitudes that are appropriate to our society.

1. No student should give or receive help on an essay, lab report, test, or other assignment included in any class offered by the school without permission from the teacher and/or administrator.
2. No student should take or share any materials pertaining to the day-to-day conducting of a class, including, but not limited to, tests, lab equipment, roll books and teacher's edition textbooks without permission from the teacher and/or administrator.
3. No student shall take, sell, give, or lend any material that contains the questions or answers to any quizzes or tests in any class offered by the high school without the permission of the teacher and/or administrator.
4. **Plagiarism is prohibited.** Essays, term papers, tests, and other similar requirements must be the work of the student submitting them. When direct quotations are used, they must be correctly acknowledged using the defined citation style of the class.
5. Failure of any student to abide by the principles set forth in this Honor Code will be subject to disciplinary action and/or academic penalty as prescribed by the teacher.

Student Recognition Program

The student recognition program is designed to reward and recognize those students who excel academically or who exhibit significant improvement in academics, behavior, attitude, and/or attendance. This program is just one way the school encourages students to work to their potential and put forth their best effort in all that they do. Examples of student recognition programs include, but are not limited to, Student of the Semester, Senior Awards Night, and Underclassmen Awards Night.

During graduation the following honors will be recognized: BETA, Honors' Graduates including National Honor Society and Governor's Honors. No other cords or graduation regalia will be permitted.

Report Cards

Grades are available through Infinite Campus, WCSD's program for disseminating grades. The semester grade is recorded on the student's permanent record, which is kept in the office and used to compute the student's grade point average and to figure eligibility status under Georgia High School Association guidelines. Students who have not returned or damaged materials (Chromebooks, textbooks, uniforms,

Media Center books, etc.) or other outstanding debts to the school will not have their report cards released until all debts are cleared.

Intersession

At the end of each semester, students who receive a final grade of ***65 – 69 in core classes*** (English, Math, Science, and Social Studies) will be provided an opportunity to attend intersession to improve their grade to a 70%.

Schedule Changes

Last school year students submitted forms to request courses for the 2021-22 school year. With the scheduling process complete, changes to a schedule will only be made for one or more of the following:

- You have already received credit for a class shown on your schedule.
- You are not scheduled for 8 classes.
- A class on your schedule requires a prerequisite and you have not passed the prerequisite.
- You have all elective classes OR all core (LA, SS, SC, MA) area classes in the same semester.
Foreign Language is an elective.
- You are an official senior and must have a course to graduate.

If you need to change a course based on one of the above-listed reasons, please email your counselor with your request. Be sure to include the course you need to change, the reason why, and what course you need to add.

ATHLETICS AND EXTRACURRICULAR ACTIVITIES

Interscholastic activities are a very important part of any high school program. Research shows that students who participate in extracurricular activities have higher grades and a more positive attitude towards school. Additionally, participation helps create greater school spirit, increases self-esteem, provides students with social opportunities, helps them learn essential life skills, and it looks great on college applications and resumes! Students participating in interscholastic activities must meet the requirements of the Georgia High School Association (GHSA).

PBIS - Positive Behavior Interventions & Supports

The term PBIS has been thrown around in schools the past couple of years, but what does that mean for YOU, the STUDENTS??

- It means that our school will continue to support our students in their learning.
- It means that our teachers will continue to teach you LHS expectations so you can be super successful!
- It means that our teachers & students conduct themselves with kindness, respect, & dedication.
- It means that there are opportunities for students to have their voices heard - Keep an ear out for those opportunities!!

DISCIPLINE

After-School Detention

After school detention is a study hall assigned by a teacher or administrator for Level I offenses. The program is offered on Tuesdays, Wednesdays, and Thursdays for an hour (2:50-3:50) after school. Students arriving after this time will not be admitted. Non-attendance for an after-school detention will result in an Administrative Referral. Disciplinary Action can include ISS, OSS, or other measures determined appropriate by the administrator.

In-School Suspension Program (ISS)

The In-School Suspension Program (ISS) is a discipline approach that utilizes the removal of a student from the regular school setting to a supervised setting away from the mainstream of regular school routines. ISS is assigned for up to ten days for misconduct or for disruption to the learning environment.

All students begin ISS with an orientation. This orientation examines the expectations and rules of the program. A student's behavior in ISS determines if additional days must be served beyond the original assignment or if the student must be suspended Out-of-School (OSS). Students and parents must understand that ISS is an alternative to OSS and that repeated referrals to ISS are an indication that a student's inappropriate behaviors are not being corrected.

Students are counted present for the time they attend ISS, and they receive assignments from each of their teachers that, as closely as possible, reflect what other students are doing in regular classes. Assignments are counted for credit. The ISS teacher will also have materials for remediation or enrichment that can be used when low achievement is contributing to students' behavioral or adjustment problems. In the event that certain assignments or tests are not suitable to be given in ISS, the student will be afforded opportunities to complete these under the supervision of the classroom teacher. Students must properly complete all assignments provided by the teachers and, if applicable, additional assignments given by the ISS teacher, and serve all assigned days before they may return to regular classes. If assignments are not completed another day of ISS MAY be assigned.

Any time missed from ISS due to absence, checking out, arriving late, etc., must be made up before a student is released back to regular classes.

Further guidelines:

- Students' phones will be held by the ISS teacher during the day while students are in ISS.
- Chromebook use is allowed but is limited to class assignments, not gaming, social media, etc. Any students not adhering to this policy may have their Chromebooks confiscated.
- All students are expected to be working on an assignment while in ISS. Sleeping is not allowed.
- Inappropriate behavior while in ISS will be dealt with by the teacher ranging from warnings to notification of an administrator. Any student who choose not to follow the requests of the teacher will be assigned OSS and asked to complete their ISS after the OSS is served.
- Students who come to ISS out of dress code will receive another referral for this infraction.

Out-of-School Suspension (OSS)

Out-of-School Suspension (OSS) is a discipline approach that utilizes the removal of a student from all classes and activities of the school. Students under OSS are not to be on campus unless they are accompanied by a parent/guardian and report to the office. Students under OSS who come on campus without permission of the administration will be referred to local law enforcement officials as trespassers. Students under OSS are not allowed to attend any WCSD extracurricular activities.

BULLYING AND THREATS

No student shall intentionally make a comment, even jokingly, that results in a disruption of the learning process. This includes any sort of verbal or written communication that can be deemed a threat of violence or in reference to a weapon at school. Students are encouraged to report any verbal and written potential threats to their teachers, administrator, or counselor.

Bullying, as described in Georgia Law, is prohibited in all Walton County Schools. When a student suspects bullying, they are expected to report the incident to a school staff member immediately. School personnel are mandated to report an incident if they have reliable information that would lead a reasonable person to believe that bullying is occurring. Walton County Schools has developed progressive discipline procedures in order to respond to bullying.

WCSD BOE Policy JC DAG “PROHIBITION OF BULLYING” 7/12/2011

All students have a right to a safe and healthy school environment. All schools within the Walton County School district have an obligation to promote mutual respect, tolerance, and acceptance among students, staff, and volunteers. Student behavior that infringes on the safety of any student will not be tolerated. A student shall not bully, harass, or intimidate another student through words or actions. The school district’s Student Code of Conduct prohibits bullying, harassment, and intimidation and is printed in the student/parent handbook and made available to students, parents, and staff at the beginning of the school year.

The term “bullying” as used in this policy and in the Student Code of Conduct means:

1. Any willful attempt or threat to inflict injury on another person, when accompanied by an apparent present ability to do so;
2. Any intentional display of force such as would give the victim reason to fear or expect immediate bodily harm; or
3. Any intentional written, verbal, or physical act, which a reasonable person would perceive as being intended to threaten, harass, or intimidate that:
 - Causes another person substantial physical or visible bodily harm;
 - Has the effect of substantially interfering with a student’s education;
 - Is so severe, persistent, or pervasive that it creates an intimidating or threatening educational environment; or
 - Has the effect of substantially disrupting the orderly operation of the school.
4. Retaliation by a student against another who made a bullying report is strictly prohibited. The retaliating student will be subject to a disciplinary hearing with possible Law Enforcement charges filed.

WCSD Student Code of Conduct / Student Agenda

Book 2021-2022

The Walton County Board of Education is committed to providing a safe, orderly and productive learning environment for all students. Student behavior is based on respect and consideration for the rights of others. Students are expected to conduct themselves at all times in a manner that will contribute to the school district's mission to ensure that all students learn. Students are expected to:

- **Participate fully in the learning process** – students should report to school and class on time, attend all regularly scheduled classes, remain in class until excused or dismissed, pay attention to instruction, complete assignments to the best of their ability, and ask for help when needed.
- **Avoid behavior that impairs their own or other student's educational achievement** – students should know and avoid the behaviors prohibited by the student code of conduct, take care of their books and other instructional materials and cooperate with others.
- **Show respect for the knowledge and authority of teachers, administrators, and other school personnel** – students must obey directions, use acceptable and courteous language, avoid being rude or disrespectful and follow school rules and procedures.
- **Recognize and respect the rights of others** – all students should show concern for and encouragement of the educational achievements and efforts of others.

Violations of the Student Code of Conduct are grouped into three levels (Level I, Level II, and Level III). Before determining the level of a violation, the principal or assigned administrator will review the facts and consult with individuals necessary to make this determination. Once the level of the violation has been determined, appropriate disciplinary procedures will be implemented.

For minor classroom disruptions, the teacher will take appropriate in-class disciplinary action and, where appropriate, will contact the student's parent(s) or guardians(s). If the student's behavior does not improve, or the disruption is severe, or when local Board of Education policy or state or federal law has been violated, a referral will be made to the principal or assigned administrator. Misbehavior on the bus may be treated in the same manner as misbehavior in the classroom or on school property. Riding the school bus is a privilege, not a right.

Administrators will follow a progressive discipline process whenever discipline is to be imposed including bus misbehavior. The degree of the discipline to be imposed for any violation, including the first time a student had committed a disciplinary infraction, will be in proportion to the severity of the violation. When considering the discipline to be imposed, administrators will take into account any and all relevant factors to assure that the appropriate degree of discipline is imposed. These factors include: the seriousness of offense, the student's prior disciplinary history as part of the permanent record, evidence of premeditation, evidence of self-defense, the student's age, and/or disability, and the student's attitude and willingness to cooperate, and other mitigating or aggravating circumstances. The principal or designee has the authority to place a student on Administrative Probation during a parent/guardian conference as a response to progressive discipline prior to taking the student to a disciplinary hearing. School administrators have discretion as to if and when a student is placed on Administrative Probation and what the terms will be. **Parents of Pre-K students are reminded that their children can be disciplined under the Code of Conduct.** Students who exhibit a pattern of violations of the Code of Conduct not resulting in a disciplinary hearing may be placed on Administrative Probation by a school level administrator as a means of correcting the student's behavior. In a conference with the student and parent or guardian, the principal or principal's designee will review the purpose of, and will establish the length and terms of the Administrative Probation,

which shall be included in a document that is provided to the student and to the parent or guardian. If the student and parent or guardian refuse to attend the conference, or acknowledge receipt of the document, the principal or principal's designee shall be authorized to place the student on Administrative Probation. Violation of any of the terms of the Administrative Probation may result in a disciplinary action, including referral of the student to a disciplinary hearing under code of conduct rule 3.23.

Walton County School District's Student Code of Conduct extends to violations of the Student Code of Conduct which occur (1) on school property; (2) on a school bus or other transportation provided by the School District; (3) at the school bus stop and/or between the school bus stop and home; (4) off school property at a school-related activity or event; (5) while traveling under the supervision of school officials to or from a school-related activity or event; (6) off school property when the student leaves school (or other location where the student is under the supervision of school officials) and commits an act which violates the Student Code of Conduct; and (7) off campus at any time while the student is under the supervision of school officials. Students who engage in off-campus behavior unrelated to a school activity or event may still be subject to disciplinary action if: (1) the student's off-campus conduct could result in the student being charged with an offense which would be a felony if committed by an adult **and** the off-campus conduct either makes the student's continued presence at school a potential danger, or would disrupt the school environment; or (2) the student's off-campus expressive behavior (including, but not limited to, written communication; email; internet posting; social media; texting and/or other forms of communication) which consists of bullying, cyber bullying, threats or harassment) could reasonably be expected (a) to come to the attention of school officials **and** (b) to create a substantial risk to the safety of students, staff or others or create a substantial risk of disruption to the school, any program, or the school environment.

Also students with school parking permits are reminded that they can have their parking privileges revoked as a consequence of misbehavior. Certain offenses will be referred to the school district's Disciplinary Hearing Officer to determine whether the student should be expelled, suspended, or given the option to attend the alternative program. The violations for which referral to the school district's Disciplinary Hearing Officer will be made include offenses listed in Level II which are serious in nature (i.e., offenses resulting in a disciplinary recommendation for long-term suspension, expulsion, or given the option to attend the alternative program) and offenses listed in Level III. Parents will be given the option to waive their right to a student disciplinary hearing and accept the school's recommendation for disciplinary action. Information will be shared in the school level administrative discipline conference concerning the waiver procedure.

Students are reminded that misbehavior at school can negatively affect academic performance. Students are also reminded of restrictions during disciplinary action. Students shall not be allowed to participate in nor attend any school sponsored activities including, but not limited to, school dances, athletics, and marching band and are restricted from attending any school events where Walton County students are guests during the period of time that they are being disciplined through an assignment for out-of-school suspension, alternative program or expulsion. Further, the student may not enter any Walton County School District building or onto property owned and/or operated by the Walton County School District. Additionally, students assigned to ISS - awaiting a disciplinary hearing may not attend programs, events, activities or games. Failure to comply with this restriction will result in the student being arrested for trespassing and could result in expulsion from Walton County School District. Also, returning RYDC students may be placed in the alternative program up to 20 days as a transitional strategy. A placement committee will convene for students coming from a residency assignment to review Walton County School District placement options.

As required by law, teachers and administrators will report to the principal or to his or her designee those students who have committed aggravated assault with a firearm, aggravated battery, sexual

offenses, possession of a deadly weapon and commission of drug offenses. Such students will be reported to the superintendent, local police authority and the District Attorney as required by O.C. G.A. § 20-2-1184. (NOTE: Students in grades K-5 are subject to the Student Code of Conduct, and may be referred to the Disciplinary Hearing Officer where appropriate).

Discipline records are a part of a student's confidential educational records and are protected by FERPA guidelines.

CHAIN-OF-COMMAND

Constructive criticism of the schools is welcomed by the Board whenever it is motivated by a sincere desire to improve the quality of the educational program or to equip the schools to do their tasks more effectively. Members of the Walton County Board of Education have confidence in the professional staff and desire to support their actions in order that they are free from unnecessary, spiteful, or negative criticism and complaint. This policy does not supersede any employee's or citizen's right to contact Board members directly. However, whenever a complaint is made directly to the Board as a whole or to a Board member as an individual, it will be referred to the administration for study and possible solution. The Board advises the public that the proper channeling of and most effective way to resolve complaints involving instruction, discipline, transportation, or learning materials is as follows:

Discipline	Curriculum	Transportation
Teacher	Teacher	Appropriate Assistant Principal
Appropriate Assistant Principal	Counselor	Principal
Principal	Appropriate Assistant Principal	Transportation Director
Appropriate Director	Principal	Assistant Superintendent/Facilities
Assistant Superintendent/Facilities	Appropriate Director	Superintendent
Superintendent	Assistant Superintendent/Curriculum	School Board Member
School Board Member	Superintendent	State Department of Education
State Department of Education	School Board Member	
	State Department of Education	

**ANY ISSUES OUTSIDE OF THIS CHART ADDRESSED BY PRINCIPAL
(NOTE: Coach; Athletic Director; Principal)**

The Board will consider hearing citizen complaints when they cannot be resolved by the administration. Matters referred to the Board must be in writing, must include address, contact phone numbers, signature of the complainant, and should be specific in terms of the action desired. After reading such complaints, and if more information which might challenge or question the good name or character of an individual is needed, the Board shall consider this in the Executive Session. The Board will not consider or act on complaints that have not been explored at the appropriate administrative level or if the appropriate chain of command has not been attempted.
