

**LOGANVILLE HIGH SCHOOL
COLLEGE/UNIVERSITY
OFFICIAL SENIOR VISIT APPROVAL FORM**

Loganville High School encourages seniors to visit college campuses during the college selections process. Most colleges, technical schools, and other education programs conduct organized visitation days for high school students on Saturdays and Sundays. Students are encouraged to attend college visitation programs on weekends whenever possible. Seniors will be allowed two (2) college visitation days without incurring a recorded absence. Students attending a college/university visitation must verify their absence IMMEDIATELY upon their return by providing proof of attendance from an official at the institution visited. Failure to do so will result in an unexcused absence.

Guidelines:

1. Student must contact the college/university to schedule a visitation. (Note: Most college/universities host visitation events and campus tours that may be more informative than a "drop-in visit").
2. Student must get an LHS Administrator to approve the request.
3. This form must be returned to Mrs. Brock, attendance secretary, prior to the requested visitation date.
4. If available, students must attach information concerning the visit (i.e. verification card, email, flyer, etc.).
