****Please note:** All senior salutations created by the Yearbook staff will follow a template (available on website during the first week of school). The staff will not be changing colors, backgrounds, fonts, or overall design of the page. The Yearbook staff may need to flip templates so names/pictures/messages do not fall in areas that are difficult to read or see. Otherwise, NO changes will be made to the templates. Parents may create their own page however they like, but the Yearbook staff will only be using the provided templates.

WHAT IF I WANT TO DESIGN MY OWN PAGE?

Please make sure you follow these guidelines:

1. Scanned images must be 300 dpi.
2. The page design must be 9x12 inches.
3. The final page must be **300 dpi**. (If the resolution is lower, the page will appear blurry.)
4. Please make sure the pictures you use are at 300dpi. This could also result in blurry pages.
5. **The file must be saved as a JPEG or PNG.** (NO PDFs, Microsoft Word, or Microsoft PowerPoint files can be used! Seriously, there's nothing we can do about it. These types of files will not convert to our design program.)

BE ADVISED!!!

High school students will be creating your salutation, unless you have decided to have it designed by someone else. Please remember that we do our best to comply with your wishes and avoid errors; however, we cannot guarantee perfection. The purchaser will receive a digital proof that must be approved by the purchaser. Also, any physical photos submitted are done at your own risk. Neither the school nor the publisher can guarantee all photos will return safely. *We do not recommend submitting a valuable or irreplaceable photo.*

Please send questions to Ms. Tucker at katie.tucker@walton.k12.ga.us.

Thanks!
