Graduation is the largest academic event held in the community each year. Graduation is a DIGNIFIED ceremony that will leave a lasting impression on all who attend. Exemplary behavior and flawless execution of the ceremony are essential. The ceremony is to honor an entire class of graduates. An individual does not have the right to ruin the ceremony for everyone else. All school rules will be enforced including the school dress code and the dress described above. During the ceremony, you should remain alert, quiet, and courteous at all times. Remind guests that they too should be quiet and only applaud at the appropriate time. Rude, unruly, or disruptive behavior will necessitate removal by security personnel. IMPORTANT - GRADUATES DO NOT RECEIVE DIPLOMAS DURING THE CEREMONY. Scholarships

A list of scholarships can be found in the student handbook as well as on the MAHS counselor's website. Please check often as there may be some added throughout the year (www.monroearhigh.org)

Honor Graduates

All seniors recognized as honor graduates must have a grade point average of 90.0 and above, and highest honor graduates must have a grade point average of 93.0 and above. GPA's are not rounded up. Honor graduates will be recognized at the senior awards program, but this recognition at the awards program is based on the current GPA as of the fall semester of their senior year. This honor graduate distinction may change prior to the graduation ceremony if the student's GPA falls below 90.0 or 93.0 GPA respectively. Honor distinction at graduation is based on all coursework at Monroe Area High School and any dual enrollment coursework completed before the day of graduation.

Explanation of Honor Designations (tentative list)

The members of the Class of 2019, as a group, have exemplified themselves as individuals in a myriad of ways. Those students who are adorned with various cords, tassels, and stoles while earning a diploma have demonstrated strengths in the areas listed below.

The ***Wearing of the Gold Medallion*** designates that the student is the Valedictorian of the Class of 2019. This is the student who has earned the highest cumulative grade point average for all four years of high school.

The ***Wearing of the Bronze Medallion*** designates that the student is the Salutatorian of the Class of 2019. This is the student with the second highest cumulative grade point average for all four years of high school.

The ***Wearing of the White Stole*** designates that the student is an Honor Graduate. Honor Graduate status is conferred upon all students receiving a diploma that have a cumulative grade point average of a 90 or above for all four years of high school.

The ***Wearing of the Blue and Gold Tassel*** designates that the student is a member of the National Honor Society. Membership into the National Honor Society is by invitation only. In order to be eligible for membership: a student must have maintained a 93 or higher cumulative grade point average and must apply for membership having demonstrated strong character, commitment to service and leadership abilities.

The ***Wearing of the Purple and Silver Cord*** designates National Technical Honor Society membership. Students have maintained a 90 or higher cumulative grade point average, have credit for at least three CTAE classes with a 90 or higher overall average, and maintain an active membership in a Career Technical Student Organization.

The ***Wearing of the Advanced Placement Scholar Medallion*** designates that the student has taken and passed three (3) or more Advanced Placement exams during the student's four years in high school. The curriculum of the Advanced Placement courses is significantly more arduous than other academic courses; therefore, the wearing of this medal also represents the student's fervent dedication to exceptional academic achievement and advancement.

The ***Wearing of the Gold Cord*** designates that the student is a member of the National Beta Club whose qualifications mandate that a student has maintained a 90 or above cumulative grade point average for the student's four years in high school.

Cords of varying colors may be awarded to designate participation in school sponsored organizations and clubs.

At the discretion of the principal, other honor designations may be added or removed.
