Waiver to Increase Academic Rigor

For the 2020-2021 school year, your child has requested an advanced level course. In general, the prerequisites for advanced courses include that the student's grade in the preceding course must be an 85 or above in an advanced-level course or a 95 or above in a regular level course. For students wishing to waive Math Support, please understand that the purpose of the Math Support class is to address the needs of students who have struggled in mathematics by providing the additional time and attention they need in order to successfully complete their grade-level mathematics course. Additionally, once a student starts on the regular math sequence, he/she may not move to the accelerated track at a later date.

At this time, both student and parent have been informed that it is not Loganville High School's recommendation for the student named below to participate in advanced course(s) in one or more areas. However, both student and parent understand that the student may elect to participate in these courses against the school's recommendation and provided seat availability. Furthermore, both parent and student acknowledge that once registered for the advanced course, the student will not be allowed to change his/her schedule. **Please indicate below the course(s) you wish to take in lieu of the recommended course:**

- | | |
|---|---|
| <input type="checkbox"/> Advanced 10 th Grade Literature | <input type="checkbox"/> Advanced U. S. History |
| <input type="checkbox"/> Advanced American Literature | <input type="checkbox"/> Advanced Government |
| <input type="checkbox"/> Advanced British Literature | <input type="checkbox"/> Advanced Economics |
| <input type="checkbox"/> Regular Chemistry | <input type="checkbox"/> Geometry with NO support (2 nd Math) |
| <input type="checkbox"/> Advanced Chemistry | <input type="checkbox"/> Accelerated Geometry (2 nd Math Advanced) |
| <input type="checkbox"/> Regular Physics | <input type="checkbox"/> Algebra II (NO support) |
| <input type="checkbox"/> Advanced Physics | <input type="checkbox"/> Accelerated Pre-Calculus (3 rd Math Advanced) |
