

Welcome to YOUTH MIDDLE SCHOOL

To the Parents of Rising Sixth Graders:

Welcome to Youth Middle School! This will be an exciting year for your child. It will be a year of learning, maturing, and taking on new responsibilities.

Here you will find information pertaining to our 5th annual "informational" 21st Century camp this year.

During the camp, your child will have the opportunity to be a "middle school student" before the first day of school. Throughout this time, your child will receive a mock schedule which allows them to have a better understanding of locations of academic classes, connections classes and have an opportunity to practice opening lockers. It is hopeful that it will help ease the transition from elementary to middle school.
